Our Story: Hodell Window Covering, Inc., (HWC) a veteran owned small business, was started in 1983 by Hans and Deanna Hodell offering custom blinds, shades, drapes, valances, cornice boards, bedspreads, dust ruffles, and pillows. In addition, HWC offers motorized shades and drapes as well as custom wood shutters for both residential and commercial projects. HWC has accommodated jobs as small as \$25.00 and as large as \$1.6 million. In 1999 HWC became one of only three window covering companies to have a NAF contract with the U.S. Air Force, HWC provides blinds, draperies and bedspreads for their lodging facilities worldwide. We have completed projects on Air Force bases all across the US and around the world. In 2003, HWC was awarded a GSA Contract that has allowed us to provide our products and services to other Government agencies. HWC has supplied the healthcare community, with cubical and shower curtains, window coverings and bedspreads for over 25 years.
